Canterbury Institute of Technology (CIT) is part of Canterbury Education Group (CEG) – a group of institutes specialising in vocational and intensive English language programs.

In 2001 CIT entered into a partnership with the University of Southern Queensland (USQ) to deliver a number of higher education programs in Sydney. This association was the establishment of USQ Sydney Education Centre (USQ SEC).

USQ SEC in association with CIT facilitates a number of USQ undergraduate and postgraduate programs from the Faculty of Business and Law at its facilities.

USQ is an Australian & Queensland Government-Accredited University.

USQ graduates have a 91.3% employment success rate.

USQ has built a reputation for offering quality academic programs that are recognised worldwide by employers & professional bodies including:

- Australian Computer Society (ACS)
- CPA Australia
- Institution of Chartered Accountants in Australia (ICAA)

USQ is regulated by the Tertiary Education Quality & Standards Agency (TEQSA)

USQ graduates are employed around the world.

Surveys of graduates rate the USQ education experience very highly.

Choose from a wide variety of USQ business programs and courses.

Welcoming environment for on-campus students.

Excellent study support services available.

Offers a range of Diploma/UG & PG programs which are in high demand both locally and internationally.

Provides students a wide range of academic & welfare support services.

In-house resources centre offering excellent student support services.

Located close to the heart of Sydney’s CBD.

Small class sizes.

Multicultural University.

Affordable study costs.
